Strong Public Service requires...

Commitment to federal jobs

Institutional knowledge

Strength across agencies and career fields

Evaluating retention & flexible management

Benefits

Benefits to Retention

- Sustained institutional knowledge
- Increased performance, productivity, employee morale, and quality of work
- Attract new talent
- Avoided costs of recruiting, hiring, and training

Benefits to Turnover

- Influx of new ideas
- Turnover of low performers can improve office morale and productivity

Retention and Turnover factors

Retention factors

- Job satisfaction
- Employee engagement
- Extensive social & professional connections
- Recognition
- Internal mobility
- Pay/benefits

Turnover factors

- Job dissatisfaction
- Better alternatives
- Planned change
- Negative experiences

Generational Characteristics

Generation X (currently 42-57; born between 1965–1980)

- Work-life balance
- Mentoring and entrepreneurship
- Communication: Informal, quick
- Desire feedback
- Questions rules

Generation Z (currently 25 and under; born after 1996)

- Flexibility
- Desire mentoring and teamwork
- Increasingly independent
- Comfortable with technology
- Variegated careers

Our study

Objective

Understand drivers of Generation X and Generation Z retention among federal employees

Final product

Issue brief to be released in October 2022

Audience

Federal agency and center of government leadership responsible for shaping workforce policies and working directly with Generation X & Z staff

Study approach

Literature Review

Data Analysis
in FedScope

Interviews and
Focus Groups

Agency cross-section

Area of focus

?

Where is **retention** an issue?

?

What workforce factors are **impacting retention**?

?

What are the workplace **expectations and values** of Gen X & Z employees?

?

What factors would persuade each generation to **return to service**?

Questions?
